Good morning,

Thank you again for showing the Visitor's Center and for your time yesterday afternoon. Following up on your discussion, it seems like the raw, ground floor space at the Mercantile Lofts could be a really great fit considering the type of layout and longer hours that we hope to have for the workshop.

If you have recommended contacts for the space, please let us know! We'd be more than happy to check it out together as well.

Best,
Tal
